Pen Turning

Written by Larry Cooper
Photos by Larry Cooper

This month's demonstration was given by Tiffany Engeman. Coincidentally, it was her third anniversary as a wood turner and she showed her chops, making pens. She had prepared her blanks by drilling them out with a 7mm

bit. Then she sanded the brass barrels and glued them into the blanks with medium CA glue.

She mounted the blanks on a pen mandrel on a small lathe that she brought from home. She roughed out the blanks to the shape she wanted with a gouge and then refined the shape to what she said was pleasing to the hand. She sanded the two blanks, and then, for our edification, she used different finishes on each blank. Friction polish and a wax based finish that were both buffed with an old sock. Lastly, she showed us how to assemble the finished pen. Great job Tiffany!

Monthly Challenge

One of the main goals of the Inland Woodturners is to educate and inspire its members in the art of wood turning. Each month a member or a guest instructor will lead a presentation or a demonstration related to the art of wood turning. The following month's challenge is loosely based on the presentation; all members of the club are challenged to take what they learned and use it. We realize everyone does not have the same tools and equipment; challenges are designed with that in mind. If the demonstration is a full size platter and you only have a mini lathe, your challenge is to make a smaller platter using the same basic shape. If the challenge requires a special tool you do not own or want to own you may be able to take your project to another club member's workshop and/or borrow the needed tool. If you meet the monthly challenge, and present your challenge piece to the club at the next meeting, you will be entered in the drawing for a $25 gift certificate from Craft Supplies USA. If you meet all 12 Challenges for the year you will be eligible for the Ironman year end award.

Wood Raffle

One of the ways this club covers expenses is the monthly wood raffle. Members are encouraged to bring a chunk of wood or two for the raffle. Raffle tickets are a buck each or six for five dollars. Some of our best work has been done with raffle wood, part of the fun is figuring out what you can make from a piece of raffle wood.

Show and Tell

Each meeting everyone in attendance is given an opportunity to show work other than the monthly challenge. Items in show and tell should meet the following guidelines.

1. Something you made yourself out of wood even if it was not on a lathe.
2. Something you crafted yourself using your lathe, but not necessarily out of wood, it could have been made out of acrylic, plastic, deer antlers etc.
3. A specialized tool or jig you made or purchased for use in your workshop, that you feel the members of the club would be interested in.

If you present a show and tell item you will be entered in a drawing for a $10 gift certificate at Craft Supplies USA.

Woodturning Classes

Written by Larry Cooper

One of the goals of the AAW and the Inland Woodturners is to improve the turning skill of our members. Our monthly meeting includes a demonstration and challenge to expand and improve every member's skills. The club also arranges for professional turners to demonstrate and teach in small hands on classes. Some of us may want to pursue more structure and individual instruction. To help those so inclined, I have assembled a small list of local Turning Classes. The list is by no means complete and I need your help in completing the list. Please email me the name and website of any local school that you know of.

Upcoming Events

Rockler Turn-A-Thon

Saturday, October 19th, 9:00am

Join us at the Rockler store in Ontario Mills on the third Saturday in October and get your turning mojo going. It starts at 9:00am and runs until about 2:00pm. Bring your tools and a piece of wood or just show up and watch.

Christmas Party December 15

Hollow Forms

Challenge / Show & Tell Forms

Below are copies of the Challenge / Show and Tell forms. If you find yourself having to borrow a pen, struggling to remember the type of wood or finish used on your project at the meeting, then print out this page and fill in the forms in the convenience of your own home.

We will still have forms at the meeting as well.

Please remember to circle if the form is for the Challenge or for the Show and Tell. It makes my life a lot easier.

Demonstrator Profile

Tiffany Engeman has been turning for three years now and does beautiful work. She makes her home in Ontario, California. When she is not turning, she makes her living as a cost accountant.

Newsletter Editor's Notes

As always I am looking forward to your comments, suggestions, and criticisms. They are all welcome.

I encourage all of you to submit an article to be included in the newsletter.

If you have any ideas for suggestion, please email me at larrycooper2@gmail.com or call me at 562-225-1622.
